CPH5000+HD	2000	3000	7750	9300	4400	4875

Available in Stainless Steel or Hot Zinc & Powder Coated Mild Steel.

These curved post hypar sails utilize tensile fabric technology to create light weight but strong canopies capable of withstanding most weather conditions. The fabric membrane is manufactured from top quality waterproof laquered PVC/PES which gives 100% UV protection.

We can manufacture and install these structures for many purposes. Contact us for a price list.
